Carl Orff Year 2020

The world of music will be marked by the memorial year in honour of the composer Carl Orff, whose 125th birthday will be celebrated on 10 July 2020. Along with Richard Strauss, Carl Orff is the most important and internationally most popular Bavarian composer of the 20th century. He is known throughout the world for his "Carmina Burana" and the "Orff Approach".

Opening of the Science Congress Center Munich on the TUM Campus Garching

The opening of the Science Congress Center Munich is planned for summer 2020. The new congress centre is the central element of "Galileo – Neue Mitte Garching" located right next to the Garching-Forschungszentrum underground station. One of the highlights is the new AUDIMAX that can seat up to 1,400. Thirteen event spaces are available for workshops, meetings, etc. Additionally, 1,600m² of foyer space flooded with light is ideal for exhibitions, receptions, and much more. Guests can live directly on the campus in a hotel or boarding house. The Garching Research Centre lies in the

north of Munich halfway between the Munich Airport and the city centre, which can be reached in 25 minutes by underground.

MOTORWORLD Munich

The opening of MOTORWORLD Munich is planned for 2020. On the site of the former railway repair shop in the Freimann district of Munich the old workshops will be transformed into a unique venue with automotive flair. Alongside boutiques and workshops all about automobility the site will include exciting new event locations of varying sizes, a four-star theme hotel and diverse restaurants. The Zenith, Kohlebunker and Kesselhaus event halls, whose industrial past lends them a particular charm and character, are already in operation. Special attractions will be the glass boxes which proud owners of fine vehicles can rent to exhibit their treasures.
