The Macherei is located in the east of Munich. This building is a place to create ideas and realize new concepts. Working and inspiring exhibition rooms for art and culture create space to develop future projects. With an area of 16,500 square meters, the Design Offices of the Macherei offer various possibilities for working with individual as well as team offices. In March 2022, the new "Scandic Hotel" will open in the Macherei, bringing Scandinavian and sustainable hotel business to the Bavarian capital.
