News / Highlights

Munich Wanderland is a brand-new tour provider, offering hand-selected hikes in the Bavarian Alps. Our specially curated easy to mid-level hiking tours are designed as day trips starting from Munich. They all offer great views of the Bavarian Alps and an authentic Bavarian food experience. We take our guests off the beaten track and let them in on Bavarian culture and the lifestyle that make Munich and the Alps region so special.

Did you know that....

- Munich is only an hour north of the Alps? So, taking an authentic day trip to these natural monuments is an opportunity not to be missed!
- you can also join us on a “No Hike” and enjoy the views and the food without the exercise?
- we offer tours in English, French, and German?
