New exhibition "The Royal Mews in Munich" in the Marstallmuseum (Nymphenburg Palace)
What was a Court Stables and who worked there? These questions will be answered in the new small exhibition "The Royal Mews in Munich" in the Marstallmuseum (museum of carriages and sleighs) at Nymphenburg Palace. Numerous textile exhibits, pictures, texts, audio stations and a photo album will give exciting insights into the Court's history. The permanent exhibition can be visited as soon as the pandemic situation allows the re-opening of the sights of the Bavarian Palace Department.
