A magical journey through Bavaria's history

Experience 7,000 years of history from the air

Travelling through time and space in a 'peacock carriage'? It may sound like a foolhardy endeavour, but with TimeRide you really will take to the skies and experience 7,000 years of time-lapse history while flying high over what is now Bavaria. This enables us to fulfil not one, but *two* of mankind's greatest dreams: flying and time travel!

Must see in Munich, located directly at the city center

Did you know that.....

Munich's first Oktoberfest in 1810 has been a horse race? Discover it at TimeRide
