### News / Highlights

Since we are all excitingly awaiting the opening schedule for all restaurants in Munich I would like to highlight especially for the leisure travelers three highlights of the hotel:

#### M'Uniqo Rooftop Bar

Spectacular 360° panoramic views over Munich and the Alps will delight you at the M'Uniqo Rooftop Bar! Enjoy Mediterranean-influenced food with fine cocktails and signature drinks beside breathtaking sunsets in Munich's highest rooftop bar and roof terrace

#### Spa

The largest city spa in Germany awaits on the 5<sup>th</sup> and 6<sup>th</sup> floor of our hotel with over 2000 sq m. Most remarkable are the views to the neighborhood onto the BMW tower and the Olympic Stadium. Pure relaxing after a stressful shopping day is guaranteed!

#### Rooms

In our Tower View Rooms you will unwind on 38-43 m<sup>2</sup> (409 – 463 sq ft) with locally inspired design Floor-to-ceiling windows and stunning panoramic views over Munich or onto the Alps. Those rooms are the highest in Munich and offer indeed a new perspective to our lovely city!

Did you know that....

- The highest rooftop bar and largest spa are actually under one “hotel” roof?
- We produce our own chocolate and really act on sustainability throughout the hotel?
- There are four restaurants on the newly developed Schwabinger Tor plus the legendary Tantris restaurant around the corner?
