

/Welcome to the heart of Bavaria

10 Reasons to love Munich Airport

Living ideas – Connecting lives

M

/Rely on excellent service

Munich Airport is a high-flyer, because Skytrax has given us the title of **5-star airport**. In addition, we have been crowned the “Best Airport in Europe” for the 12th time at the “World Airport

Awards”, and our Terminal 2 has been voted one of the best in the world. This means you can always rely on fantastic service throughout your journey.

1

2

/Discover the whole of Europe and the rest of the world from Bavaria

Munich Airport lies in the heart of Europe, and its [central location](#) makes it an excellent starting point for your trip. From here you can reach several European

countries quickly and easily. We also have a strong network to North America and a steadily growing network to Asia.

/Discover a diverse range of shops

From duty free bargains to local souvenirs and top international brands – the prices charged are the same as in the city center.

Over **150 stores** with multilingual sales assistants are ready to serve you every day.

3

GUCCI

A photograph of a group of people sitting at an outdoor table in a restaurant or beer garden. In the foreground, a man in a light blue shirt is holding a wooden tray with several large, golden-brown pretzels. Next to him, a woman with long brown hair, wearing a white top and a necklace, is smiling and looking towards the man. To her right, another man in a blue checkered shirt is also smiling. They are all holding glasses of beer, and the woman is clinking her glass with the man's. The background is filled with other people sitting at tables under a canopy, with green trees and a blue sky visible. The overall atmosphere is bright and cheerful.

4

/Enjoy snacks and meals

Our Airbräu is the only [airport brewery](#) in the world and serves traditional treats as well as its own brewed Bavarian beer. And to top it

all, there are over [60 restaurants](#), cafés and bistros- from Italian specialities to Asian delicacies, they offer something for everyone.

/Visit the luxurious airport lounges

Terminal 1

- Airport Lounge World
- Airport Lounge Europe
- Emirates Lounge
- Air France KLM Lounge
- VipWing

Terminal 2

- Lufthansa Lounges:
- 2 First Class lounges
 - 6 Senator lounges
 - 4 Business lounges

5

6

/Relax in our rest areas

Those who want to relax before their connecting flights will find four recreation areas next to the waiting zones at the gates in Terminal 2.

You can also book one of our nap and meeting cabins if you would like a bit more privacy.

7

/Experience exciting events

There is always something going on at the [Munich Airport Center](#). Whether this involves the winter market, the big screen, sports or lifestyle events – you can

experience something new every day with us. Those looking for the best vantage point at the Airport should be sure to take a look at our [visitor terrace](#) in Terminal 2.

/Unwind next door at top hotels

Are you staying longer?

No problem. The Hilton Hotel with its “fit & fly spa” area is within walking distance of the airport terminals, and offers a 17-meter

pool, a sauna and a steam room if you want to pamper yourself, or a gym if you prefer an energetic workout. There is also a modern Novotel on the Airport campus.

8

/Use our digital service as a guide

Munich Airport has a straightforward, compact infrastructure. Despite this, if you have any questions, you will find the interactive [InfoGates](#) we have developed throughout the airport,

which connect you to multilingual employees. Using the automated [EasyPass](#) for the countries indicated when arriving and departing enables you to save valuable time.

/Flying with children

There are also plenty of exciting things for our young passengers to discover at Munich Airport. Adventure, fun and games await your children at [Kinderland](#) in the München Airport Center, where

they will find kind staff and possibly new friends. “Cuddly toy boarding passes” are even provided for furry traveling companions at the Family Check-In at Terminal 2.
