

# Various test offers for passengers

At Munich Airport, various testing options for the SARS-CoV-2 coronavirus are offered airside and landside.

They can be used by travelers as well as all other persons.

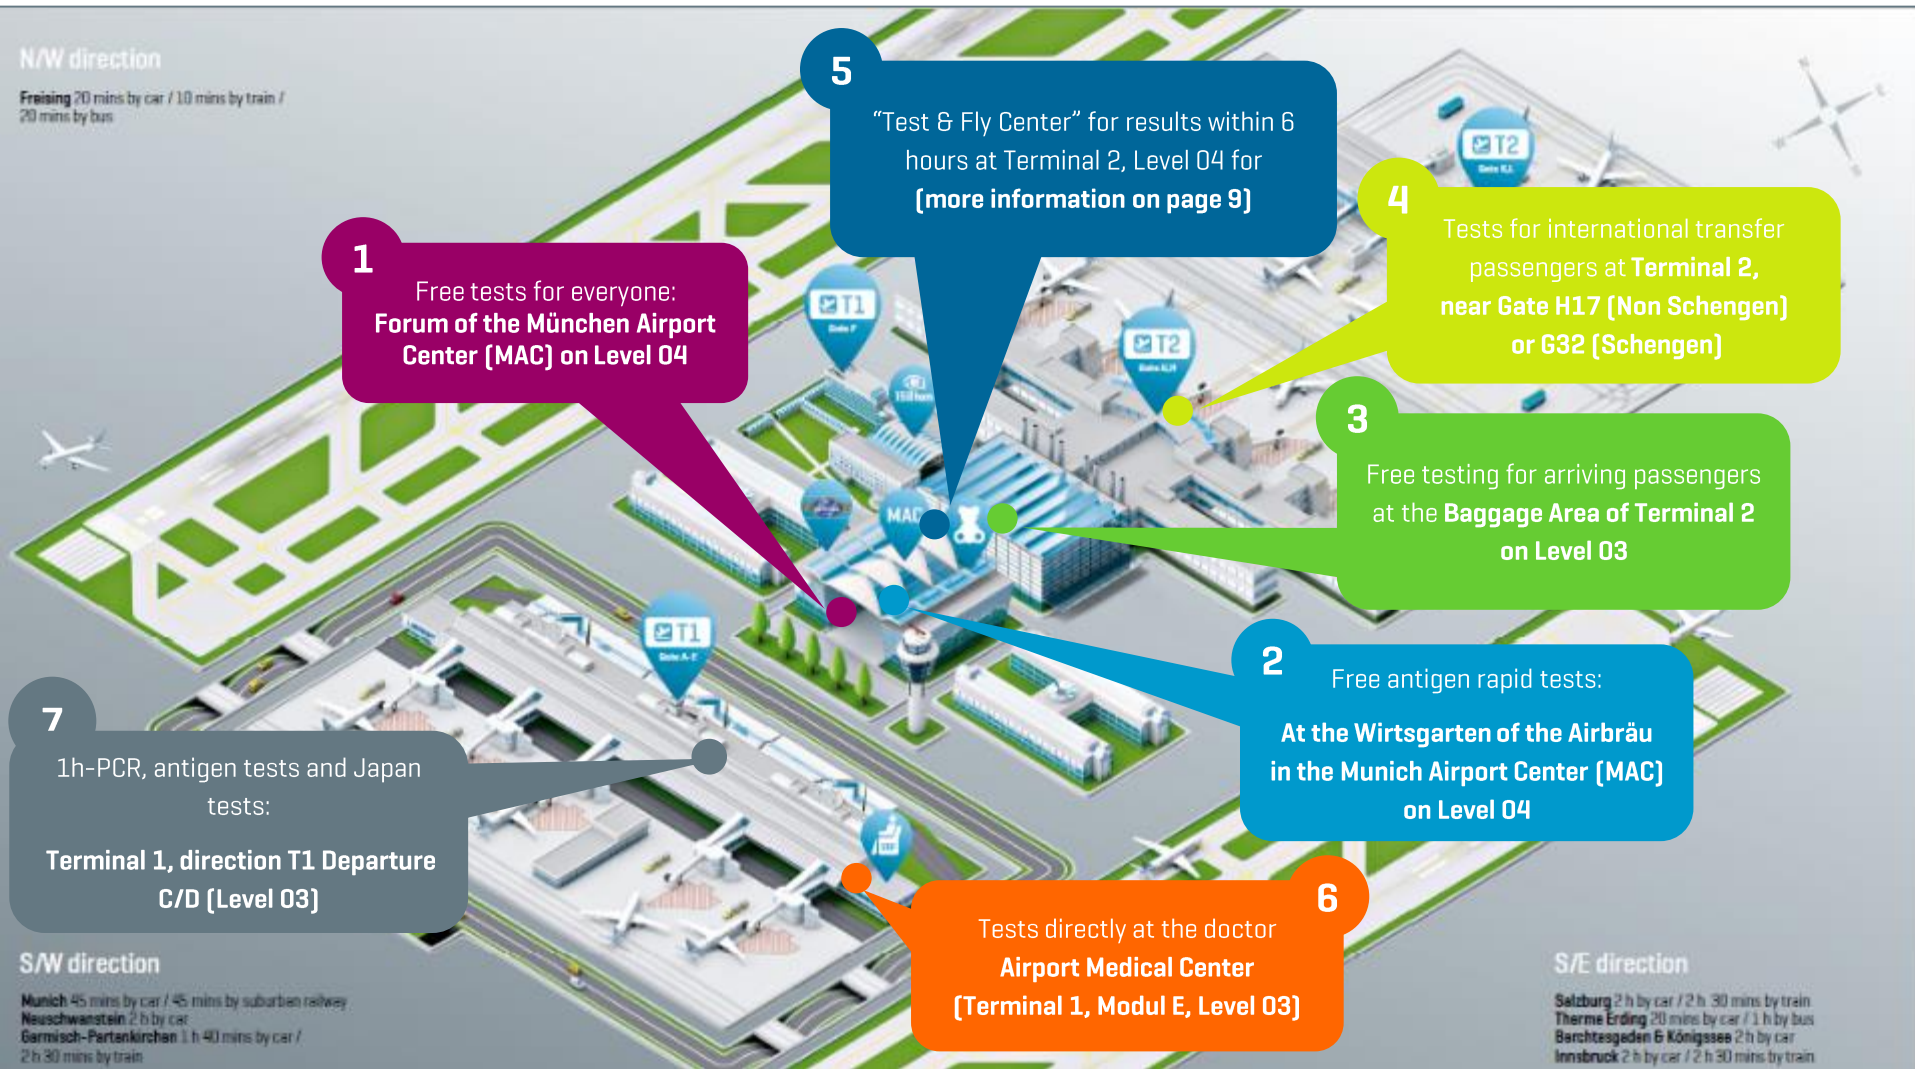

Returning travelers still have access to a testing center in the non-public area in Terminal 2 [near the baggage carousels]. For international transfer passengers [non-Schengen], a Test Center is available in Terminal 2 [near Gate H17, G32].

For current information and further updates please check our Website:

# Location of COVID 19-Test Stations at MUC

# Free tests for everyone @ MAC Forum (public area)

## General information about this test option:

**Incoming travellers** and also **other persons** (citizen testing) who wish to be tested for possible infection with the SARS-CoV-2 coronavirus can do so free of charge at the Corona Test Center. The Corona Test Center is located in the Forum of the Munich Airport Center (MAC) on Level 04 and is open daily from 6 a.m. to midnight.

**PLEASE NOTE:** *Travelers who require proof of testing for their trip abroad, including their ID card number, for example, should contact one of the private test centers [see page 5+]*

## Costs?

Free of charge

## How to register?

Link: [Registration for arriving passengers](#)

## Good to know:

- Please show your boarding pass and registration confirmation at the Test Center.
- Please make an appointment online for testing. Without prior appointment or registration, you may have longer waiting times. If your scheduled arrival time at Munich Airport is delayed, you do not have to do anything if you have already registered in advance.

# 1 Free tests for everyone @ MAC Forum (public area)

## How to get the results?

Each person who is tested will be notified promptly and will receive a written report, regardless of the result.

## Contacts for the Test Center

The tests are conducted by a private provider on behalf of the bavarian health authorities. The laboratory also informs the passengers tested of the test results.
