SCHLOSS ELMAU
VALLEY EXPERIENCE

10/22 - 04/23

**THE
SCHLOSS ELMAU
VALLEY EXPERIENCE**

EXPERIENCE the healing power and beauty of pristine nature, the breath of the mountains and soothing sounds of silent forests and rushing streams in the Elmau Valley, an incredibly peaceful sanctuary high in the Bavarian Alps, at the foot of the majestic Wetterstein Mountain Range near Garmisch-Partenkirchen.

INDULGE in a feeling of peace and belonging in a cosmopolitan Luxury Spa Retreat & Cultural Hideaway with grand yet intimate interiors connecting subtle oriental influences and the timeless elegance of Italian furnishings with warm lighting and precious natural materials from around the world.

ENJOY THE POSITIVE ENERGY and genuine hospitality of a young, enthusiastic team and outstanding food and wines in casual fine-dining restaurants, one with two Michelin Stars and four red toques in the Gault-Millau.

REGENERATE in gorgeous spas with separate areas and pools for adults and families, experienced therapists, several warm outdoor infinity lap pools, a Japanese Onsen pool and Oriental Hamam heated sustainably with wood pellets year round and spacious relaxation lounges, steambaths and saunas, one of them by the crystal-clear Ferchenbach stream in our Nature Spa.

STRENGTHEN your serenity and mindfulness in Yoga or Taiji Retreats led by a master and boost your health and fitness with results-oriented Feel Good Retreats to relax, recharge, lose weight and get back into shape with the help of a personal trainer and relaxing treatments or the proven methods of TCM.

REENERGIZE in the empowering Alps, and in summer go power walking, jogging, trail running, hiking, rock climbing, e-mountain biking, road biking and swimming in the Ferchensee lake nearby and practice archery and play tennis in the Nature Spa or drive with an all-electric BMW to play golf, go kitesurfing, paragliding or sightseeing in the beautiful surroundings. Winter offers perfect cross-country skiing and hiking trails in the Elmau Valley, and exhilarating alpine skiing and ski touring in and around Seefeld and Garmisch-Partenkirchen or on the Zugspitz Glacier.

RELAX WITH YOUR KIDS in one of the Family Spas, cozy lounges and concerts or let them roam free and make new friends in the kids club or creative club, the chess academy, photo and literature workshops, science labs, soccer camps and yoga classes, while you are being pampered in one of the adult spas.

AND AT THE HEART OF IT ALL, FIND INSPIRATION in our phenomenal bookstore and unique cultural tradition offering, for more than a century now, a full season of literary events, political debates, and concerts with the great artists of our time.

3 – 7 & 10 – 14 April 2023
with Regine Laute

We're willing to bet that the art you create at school can't compete with the works of art you'll produce here. And here's why: This workshop will teach you a variety of simple punch and design technique for creating your own paper art, with the support of various stencils and forms. And you'll be amazed at how great the results are. One day, even this issue of Libretto will be recycled. Because our old notebooks are not thrown away but made into beautiful cards and envelopes. We will be happy to show them to you the next time you visit the bookstore. Wanna bet?
