

Munich Convention Bureau

Munich impresses as a MICE destination, providing the perfect combination of the Bavarian way of life, international accessibility and a wide variety of venues. The Munich Convention Bureau offers you the following services and as a partner helps you ensure the success of your event.

Destination marketing on the national and international MICE market

PR and communication
Provision of photo and video material

Support when creating bid books, including hotel room contingents

Help with operational implementation and the city's support for conventions

Interface between the worlds of politics, science and business

Management of the partner network with Munich's MICE stakeholders

Unbiased organization of local MICE service providers free of charge

Organization of site inspections and FAM trips

Did you know?

The Bavarian Congress Initiative provides financial support of between 12,000 and 125,000 euros for conventions and conferences in Bavaria, on the condition that certain requirements are met.
